System Analysis-1 Project

<table>
<tr><td>Rules</td><td colspan="3">1) Grades:
- Data Flow Diagram (2 points)
- Class Diagram (3 points)
- Activity Diagram (3 points)
- Sequence Diagram (3 points)
- Use Case Diagram (2 points)
- Front End (5 points)
- We are going to ask each member a question. (2 points)
2) You must attend the project discussion on time, because if you came one minute late you will lose 5 points.
3) You don’t have to print the diagrams; you can explain everything on your laptop.
4) DON’T FORGET TO PRINT THE COVER SHEET BEFORE THE DISCUSSION AND FILL YOUR NAME AND ID.</td></tr>
